Education:

Ph.D.,	Economics,	Yale University	May 2011
M.A.,	Economics,	Beijing University	July 2005
B.A.,	Economics,	China Youth College for Political Sciences	July 2002

Academic Positions:

2026 –	Research Professor, Department of Economics, Johns Hopkins University
2025 Spring	Visiting Professor, Guanghua Management School, Peking University
2022 – 2026	Lowell and Leila Robinson Chair Professor, Department of Economics, University of Wisconsin Madison
2020 – 2022	Lowell and Leila Robinson Professor, Department of Economics, University of Wisconsin Madison
2019 – 2020	Professor, Department of Economics, University of Wisconsin Madison
2017 – 2019	Associate Professor, Department of Economics, University of Wisconsin-Madison
2018 Spring	Visiting Associate Professor, Department of Economics, Massachusetts Institute of Technology
2017 Fall	Visiting Associate Professor, Cowles Foundation and Department of Economics, Yale University
2011 – 2017	Assistant Professor, Department of Economics, University of Wisconsin-Madison
2010 – 2011	Tenure Track Lecturer, Department of Economics, University of Wisconsin-Madison

Teaching:

Teaching at UW-Madison:

Econ 715	(Econometrics Methods, 2 nd year PhD)
Econ 704	(Econometrics I, 1 st year MS)
Econ 709	(Mathematical Statistics and Econometrics, 1 st year PhD)
Econ 410	(Introductory Econometrics, undergrad honor)

Professional Service:
Current:

Coeditor: Econometric Theory (2023-)
Associate Editor: Quantitative Economics (2019-2025).

Past:

Editor: Review of Economics and Statistics (2020 - 2022)

Reviewer for IAAE (2016, 2017, 2018), for ES-NAWM (2018), and for the 12th World Congress of the Econometrics Society (2025)

Local co-organizer of Midwest Econometrics Group Meeting 2018.

Referee for Econometrica, RESTUD, RESTAT, Econometric Theory, Journal of Econometrics, Journal of Applied Econometrics, Quantitative Economics, JBES, Econometrics Journal, Journal of Development Economics, Econometrics Reviews.

Ad-hoc Reviewer for NSF.

PhD Advising (as chair or co-chair):

Wooyoung Kim (2019, Amazon)

Wei Song (2017, Initial Placement: Xiamen University; Current: Microsoft)

Zhentong Lu (2015, Initial Placement: SHUFE; Current: Bank of Canada)

MA Advising (incomplete list)

Haigang Liu (2023, PhD placement: UW Madison Business School)

Shuyang Deng (2022, PhD placement: UW Madison)

Kai Gu (2019, PhD placement: UW Madison)

Xiaohan Zhang (2019, PhD placement: CUHK)

Jialue Cao (2018, PhD placement: UT Austin)

Zhonglin Li (2016, PhD placement: Chicago Booth, first job: NUS)

Jianfei Cao (2015, PhD placement: Chicago Booth, first job: Northeastern University)

Working Papers:

2026 “Testing Mediation Effects: A Theoretical Case for Bootstrap Percentile Confidence Intervals,” (with Woosik Gong)

2025 “[Testing Inequalities Linear in Nuisance Parameters](#),” (with Gregory Cox and Yuya Shimizu)

Honors and Awards:

“QE Best Paper Prize” for “Estimating Demand for Differentiated Products with Zeroes in Market Share Data,” 2025

Vilas Associate Award, UW-Madison, 2023

Graduate School Fall Competition Grant, UW-Madison, 2011, 2012, 2013, 2014, 2015:

2015: “New Identification Strategies for Multinomial Choice Models”

2014: “Simple and Robust Forecasting Model Evaluation”

2013: “A New Nonparametric Test of Likelihood Ratio Ordering”

2012: “Testing Inequality Hypotheses”

2011: “Hypothesis Test in Partially Identified Models”

Other honors and awards:

Econometrics – Young Researcher Award, 2017.

McKenzie Prize for Excellence in Research for Junior Faculty, UW-Madison, 2013.

Carl Arvid Anderson Fellowship, Yale University, 2009.
